

A photograph of two young women sitting at a wooden table, smiling and looking at a laptop. The woman on the left is wearing a blue button-down shirt over a white t-shirt. The woman on the right is wearing a white sweater and glasses. They are both holding coffee cups. The background is a white brick wall. The image is partially obscured by a white diagonal shape that contains the text.

Shine your idea

Current Situation

Students have a multitude of projects, but no unified place where they can present these for employer viewing. There are several platforms to publish school projects but often there's none that give students opportunity to collaborate and get peer feedback.

Problem Statement

A central platform for UChicago students to showcase their projects ('abstract' and visual components) in a highly engaging and accessible manner

Our Solution

Collaborative

- ❑ Collaborative platform where UChicago students can get interdisciplinary feedback on projects

Demonstrative

- ❑ Get your projects noticed! A platform that potential employers and peers would actually visit

Interactive

- ❑ Simple user interface for you to easily upload projects and let the platform handle the presentation.

Our Solution vs Others

- ❑ Tailored to the UChicago community:
 - ❑ Constructive feedback from fellow academics
 - ❑ Public-Speaking skills: live event to showcase the top 10 projects of the quarter

- ❑ Get noticed better:
 - ❑ Website what gives you more chances to access your project (instead of personal portfolio)
 - ❑ Attract attention from employers

- ❑ Packaged in ready/ shiny presentation:
 - ❑ Hassle-Free Aesthetics!
